

## CIVIL DEFENCE EMERGENCY GUIDELINES

For Devonport Schools Waterwise Groups At Narrow Neck Beach

**PLANNING = SURVIVAL**  
**If there is an emergency**  
**and your phone is switched on,**  
**you will receive an Emergency Alert**

### **In the event of a Tsunami Warning;**

- If you have time, get the children back to their respective schools
- **If no time, move to higher ground QUICKLY, Civil Defence recommends 35m above sea level.**
- Fort Takapuna is 22 m
- Vauxhall school is 14-16 m.
- The dairy on Old Lake Road is closer and over 20m above sea level, with the potential to walk/run higher, and further inland. If the children have time to grab their back packs, they should do so.
- *DO NOT PROCEED ALONG SEABREEZE OR WAIROA ROAD, THEY ARE AT SEA LEVEL.*

### **In the event of an Earthquake;**

**If its long and strong.. get gone, do not wait for an official warning**

When the shaking stops, move to higher ground, and wait there for the official all clear

*getready.govt.nz*

- Know the location of your nearest Civil Defence or Welfare Centres, (ask your local council)
- Learn First Aid.
- Learn how to control small fires and escape larger ones. ([www.fire.org.nz](http://www.fire.org.nz))
- There is a Fire Extinguisher, on the left wall inside the Garage, just beside the internal door to the Training Room. Have a look at it, remember where it is, do you know how to use one?
- Keep your fuel tanks, car, bike, topped up at all times
- Find out more, \*Call 0800 22 22 00
- Do you know where the defibrillator is, and code to open it?

### **Auckland Radio Frequencies**

In an emergency the radio is your prime source of information. Listen to the radio for information and follow Civil Defence Instructions

National Radio 756 AM or 101.4 FM  
Classic Hits 97.4 FM  
More FM 91.8  
Radio Live 702 AM or 100.6
